

Native American Myth & Legend

For the first time ever, all the Native American myths and legends are presented in a single volume! Spanning the vast land mass from the inhospitable Arctic ice floes in the north to the harsh, windswept Tierra del Fuego in the south, the lore of the inhabitants is as rich and varied as the land itself. In over 1,500 detailed entries, from the mysterious god A to Zuyua, you'll find it all. People, places, artifacts, and a wealth of historical treasures present a fully dimensional view of these ancient traditions, and the cultures from which they came.
