

One Last Time: Everything and Nothing

Two tiny islands are once again embroiled in a generations old conflict; this time brought to flame by an evil from another time. A soldier arrives from an unknown place, brought by an unseen hand to fight the ancient enemy. Gillian Cross is a fiery maiden whom the soldier seems drawn to like a moth to the flame. She must confront her own fears and dreams about this unknown soldier. Is he friend or foe? What are his intentions toward her? One Last Time is a story of love and betrayal, of the thirst for revenge and the even hand of justice. The future looks bright, but only if it can be wrested from the grip of darkness.
