

# Lullabies

Jonathan Kent is tired of living. A self-absorbed angry man, his drinking and infidelity are destroying the one part of his life he wants to save - his marriage. Alone in his car, he now understands that the wife who listened to all his lies will not accept the truth. As he turns the key in the ignition wanting to see his wife one more time, fate catches up with him. Terrified and bleeding, he searches for mercy and understanding. Soon, the agony his mortal body is suffering will come to its inevitable end. Jacob Lansing is tired of suffering. A decorated soldier and a loving husband, his passion to help others once defined his life. But terminal brain cancer has rewritten his dreams for his future with the ones he loves. He has watched his beloved wife, Elizabeth, turn into a sad, anxious woman, torn apart by her inability to help him. What's more, the thought of abandoning Marcus Allen, a young man he hoped to make whole, crushes him. Soon, Jacob will take control of what remains of his life, and his suffering will cease. Their passage into eternity is stopped, frozen in time. God allows one to return to provide Marcus Allen with the guidance God always intended him to have. He keeps the other close at hand, in the hopes that he will learn the most difficult lesson of all: the joy of giving and accepting love. Can these two men redeem each other?
