

Master the Case Worker Exam: All About a Career as a Case Worker: Part I of III

As part of Peterson's Master the Case Worker Exam, this section provides information about a career as a case worker and includes average salaries, hiring procedures, employment resources, and investigation practices. Since many case worker jobs are with government agencies, we've included an explanation of the typical procedures involved in landing government jobs. Peterson's Master the Case Worker Exam provides you with an effective review of Hospital Environment, Social Services, and Eligibility Specialist case worker exams. Case workers play an essential role in helping people solve financial, health, and social problems and improving their ability to function within society. Peterson's guide will help to prepare you for your career as a case worker.
