Guaranteed to leave you wanting more. It may also inspire you to create music and poetry. Davon is a character/artist that Pay Day or Julian developed off the cuff. He's had much success with Davon in fictional novels, poetry and now music. There's far more planned for him as a character. Plenty of topics discussed as Davon explains to you the basis of the Real BBW Player Game in which he is a leader. His native city is Detroit, Michigan in the United States. However, he travels the globe in search of more Stacked BBWs to satisfy his appetite. A definite good read for a Davon collector.
