

## Fathers and Sons: Sonata Allegro (Dr. Jack Murano Series-Book 1)

Dr. Jack Murano, a prominent cardiac surgeon with a thriving practice, has his idyllic life turned upside down in an instant. What should've been a routine procedure on a local celebrity, community leader and friend, results in a complication that spirals into a a who-done-it medical mystery. From California to North Carolina, Italy and back again, the unusual twists and turns take the reader on an emotional journey of a surgeon, a father, a husband, a friend, and ultimately, a man who won't stop until he is able to clear his name and find justice. *Fathers and Sons* takes us beyond the operating room, reminding us of the ties that bind us and the price of revenge. It takes us to the heart of what it means to be on the brink of losing it all and how, sometimes, the answers are found in the most unusual places.
