

Dead and Kicking (Alby Murdoch Series)

When a movie about an Australian war hero takes Alby Murdoch to Vietnam, he discovers that some old soldiers never die and that its not just the cameras doing the shooting... A job as a stills photographer and some top-notch nosh were two good reasons for Alby Murdock to be in Saigon. The third was that he had to clear out of Sydney and the spy game for a while. But when Alby snaps a photo of the wrong passing cyclo, suddenly more action is taking place off camera than on. Alongside his old flame, the bootylicious Jezebel Quick - and his new friend, the alluring Inspector Hoang - Alby is thrust into the murky, watch-your-back world of casino crime lords, bent politicians, rogue expats, killer fish and ruthless celebrity chefs.
