

How To Land A Top Paying Airline Job

An in depth, systematic method for landing top paying pilot jobs at leading companies. Learn effective ways to manage technical and subjective interview questions, make the most of your physical presentation, and get noticed in a highly competitive environment. Also included are many examples of interviews that have gone well, and not so well, based on real world experiences. If you want to maximize your performance in an airline pilot interview and land the job youve been working toward, this book will help you do it.
