

## Lifting Up Veronica

The smaller the town, the bigger the drama. In the summer of 1960, sociologist Michael Kovac travels to an old acquaintances hometown in rural West Virginia to shoot footage for a documentary about Signs Followers - a Christian sect best known for their practice of handling venomous snakes. When money changes hands and the church elders are divided, Michaels involvement could lead to jail or worse. Mix in an assistant looking for fame and a beautiful woman who longs to become a mother, and its a recipe for disaster...
