

The Loneliest Muse

Even though she is over two hundred years old, Hope is the youngest of the nine Greek Muses who live on the island of Leisha. Hope wants nothing more than to please her sisters but she alone faces the greatest challenge a Muse has ever known: she lacks a talent in which to inspire others. Delphi, the blind Muse of Prophecy, foresees that in order for Hope to find her talent and fulfill her destiny she must do what no other Muse has ever done, she must leave the island of Leisha. Hope is uncertain but is assured by Clio the Muse of History she will not go alone. Aided by a magical, golden swan boat, Hope bravely sails off into the approaching dawn, uncertain of where the beautiful swan boat will take her. In this extraordinary fantasy tale, Hope embarks on an adventure filled with Fairies, Dragons and other mystical creatures that will teach her more about herself and her hidden strengths than she ever imagined.
