

One Night: Promised

The new breathtaking novel from the number-one New York Times best-selling author of the This Man trilogy. One night will never be enough.... Livy notices him the moment he walks into the coffee shop. Hes heart-stoppingly stunning, with a blue-eyed gaze so piercing shes almost too distracted to take his order. When he walks out the door, she thinks shell never see him again. Then she finds the note he left on his napkin - signed M. All he wants is one night to worship her. No feelings, no commitment, nothing but pleasure. Every defense mechanism Livy has adopted during her solitary life is at risk of being obliterated by this confounding man. Hes obnoxious but well-mannered. Hes a gentleman but aloof. Hes passionate but emotionless. Yet the fascination is so powerful, Livy cant deny him - or herself. M awakens something in Livy, something deep and addictive that she never knew existed - and that she fears only he can satisfy. But she senses that behind the fast cars, fancy suits, and posh apartment, hes aching inside. To have him, body and soul, shell have to brave his dark secrets. Delving into his world and breaking down his defenses become her obsession - an obsession that could shatter her heart beyond repair.
