

## Prelude to a Super Airplane (Super Airplane Book 1)

In the year 2012, These United States of America is politically divided to a magnitude not seen since the Civil War. On one side stands the fast emerging pro-flying car contingent; on the other, the stubborn and traditional pro-airplane members of the populace. At stake? The entire future of airborne leisure and transportation. Set against this tumultuous backdrop, a young fiction writer has written a book about the only thing that can save the airplane riding industry - an impossible to conceive, 47-story airplane of such power and wonder, the world will have no choice but to submit to its glory. The worlds first comedy/political thriller/mystery/drama/romance/action/venture/science fiction/showbiz insider/horror/family/energy drink industry insider/holiday/autobiography, Prelude to a Super Airplane weaves the lives and destinies of 40 people together in astounding ways, as they all find themselves facing the future of airplane riding...The Super Airplane.
