

Yearbook of the United Nations 1991: Vol. 45

The 1991 edition of the Yearbook provides a comprehensive reference about the work of the United Nations and other international organizations and related bodies. The book is designed for researchers, writers, journalists, teachers and students, as well as diplomats, officials and scholars. The year 1991 was an eventful one for the United Nations and the conduct of international relations. This volume of the Yearbook details the activities of the United Nations, its many organs, agencies and programmes which work together with the aim of creating a new form of multilateral co-operation for a better world. It records the diverse worldwide activities of the United Nations and its efforts to deal with the world's pressing concerns, especially matters of international peace and security, disarmament, human rights, the settlement of regional conflicts, economic and social development, the preservation of the environment, control of drugs and narcotic substance abuse, crime prevention, adequate shelter, youth and ageing, humanitarian assistance for refugees and disaster relief.
