

Getting Past Almost: Gay Erotica

Warning: constant, graphic sex! Getting Past Almost follows a young gay man in his odyssey of discovery and sexual experimentation, as he searches for happiness and true love. That search begins in the seemingly peaceful setting of the small Louisiana town where he was born, and leads him to New Orleans. When he finally falls in love with the man of his dreams, those dreams become threatened by a new complication that can ruin their lasting romance. Man2man stories by Donovan Lee have appeared in the magazines Hot Shots, Guys, and Campus Tales, as well as in the Alyson anthologies Slow Grind and My First Time 2. Lee later wrote the As Hot As You Remember: Gay Erotica.
