

Svetkavista

Trapped within a life where she has always been an outsider, Karina dutifully follows the wishes of her father by day, and secretly pursues her dreams by night. Raised within the strict, patriarchal society of the Rom at a time when discrimination and fear are at their peak, she is forced to hide both her love of music and her passion for those who encourage her dreams. She seeks comfort in the arms of her dearest friend and mentor, who shows her that love and lust rarely confine themselves to the ill-conceived notions of normalcy. When a lie, spoken in a moment of desperation, threatens to shatter everything Karina holds dear, she must choose between those she loves and her own reputation. Will the truth set her free or destroy her?
