

## Taming Lily: Fowler Sisters Series , Book 3

Im in trouble. Again. And instead of facing my problems head-on, Ive run away. Far away this time, and no one can catch me - not my two younger sisters, Violet and Rose; not my father, my grandmother, or that witch, Pilar, who wants to take control of my familys cosmetics company. Now Im in Hawaii, enjoying the sun and sand and water, where nobody knows the hot mess known as Lily Fowler. And Im loving every minute of it. But someone is watching me. Following me. Hes gorgeous. Soon were talking, and against all my instincts I reveal bits and pieces of myself to Max. It feels good, though I know he cant be the man for me. These sudden feelings we share are way too complicated, too fraught, too intense. Maybe hes worth the risk - what-ifs be damned. Contains mature themes.
