

The American and the Brit: Unsolicited Advice

K.A. Young has joined forces with her hilarious PA, Julie Bromley, to bring us a light-hearted comedy that you won't ever forget. Life isn't easy. Just ask American-born Phoebe Hawkins and British-born Lizbeth Bates, two insecure women in their mid-20s who are trying to stay positive in the face of their own awkwardness, chaos, and utter humiliation. Friends for nearly 10 years, Phoebe and Liz are well aware that neither of their brains possesses a filter. After Liz moves from the UK to America, the two accidentally land jobs at an up-and-coming media company that is testing their very own version of a modern-day Dear Abby/Agony Aunt advice column. Laughter, tears, and inappropriate behavior follow as the two desperately try to live up to their role as the American and the Brit.
