

The Grinning Dog

It is a well known fact that people love their pets, and no pet has captured the human heart more than the humble and ever loyal dog. But is their undying desire to protect and serve their masters mutual? How far will a man go for his best friend? This darkly humorous tale explores this question to the very limit, as well as the consequences that ensue. You'll laugh, cry, and laugh some more as we follow John the septic tanker driver and his best friend on an unprecedented two week journey through the rigours of life, love and betrayal.
