<http://youtu.be/Tqit6MEsg-w> Dr. Berry, chair of the psychology department of Dallass most prestigious university, received a rejection letter on his lifes work. The next day, October 31, 2008, he got a second chance, an article confirming the existence of ghosts at the infamous Pussy Willow Manor. The current owner has been running the property as a Halloween attraction for years.However, its not the attraction that is of interest to Berry, but rather its true history. Upon visiting the manor, he struck a deal with the owner to rent the entire property for five days, under the condition that all Halloween props are removed. Unfortunately for Dr. Berry, he got his way...
