

## The Kirya Solution

The First Persian Gulf War. A young, highly specialized Reconnaissance Marine confronts the fury of combat during a clandestine incursion into occupied Kuwait to search for a horrifying biological warfare agent. An Israeli Defense Forces Colonel unjustly associated with the massacre of Palestinians is critically wounded as a result of a Scud strike on Tel Aviv. A Saudi millionaire turned Muslim extremist has sworn to expel the Americans from the Kingdom after the Saudi Government shuns his own Arab Solution to the crisis. Fate, technology, and loyalty bring their paths together in a daring Israeli military operation deep within the forbidden heart of Islam. A deadly lesson in the meaning of honor that could destroy the fragile coalition and turn the tide of war against the United States.
